

6th May 2021

World Smart Medication Day

An initiative of the IUPHAR to foster **CLINICAL PHARMACOLOGY** development

2021 theme: “Bringing students together”

International students’ poster competition

deadline April 6th

<https://iuphar.org/clinical-division/world-smart-medication-day/>

Unsafe medication practices and medication errors are a leading cause of injury and avoidable harm in healthcare systems worldwide. Clinical Pharmacology is a key discipline for managing these drug-related problems.

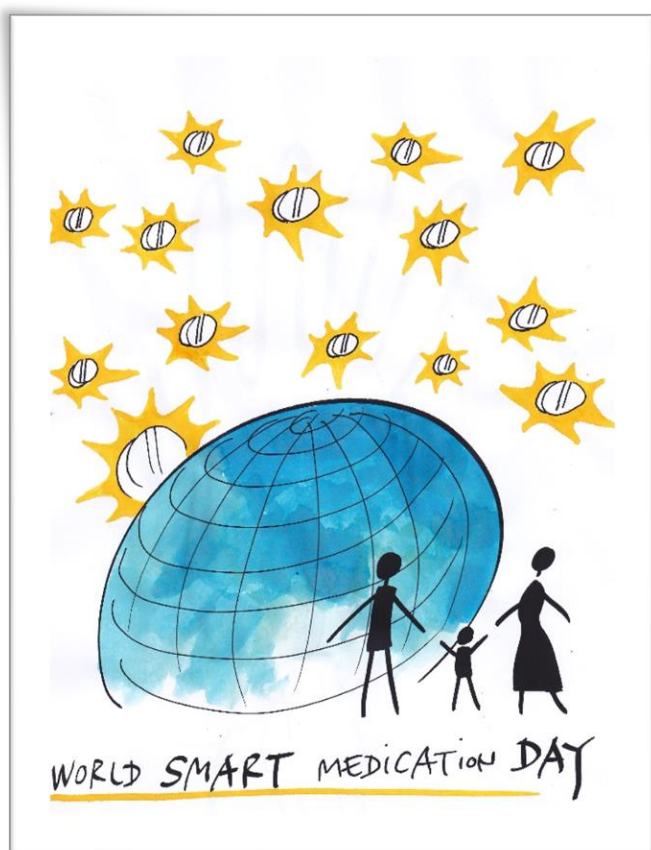

Countries are encouraged to carry out **joint actions and activities on May 6th to highlight the importance of safe and rational use of drugs** *such as educational seminars/webinars, hospital events/stalls, grand rounds, communication and dissemination of the WHO Global Patient Safety Challenge material.*

Partner organisations:

INTERNATIONAL STUDENTS' POSTER COMPETITION

**Theme: The 3rd WHO Global Patient Safety
Challenge: Medication Without Harm**

Deadline for digital
submission to your
national society:
6th April 2021

3 IUPHAR prizes
awarded

10 best posters presented
during an international
webinar on the **6th May 2021**
